

Welcome to Minneapolis Public Schools 2019 Summer Programs!

GEMS-GISE STEM Academy PreK-4

Located at Andersen United, is a district-wide program with transportation available for qualifying MPS students. The GEMS-GISE STEM Academy focuses on explorations in science and mathematics through project-based and problem-based learning experiences that promote the integration of engineering and technology concepts, content, and process.

General PreK-4 Summer Program

The General PreK-4 Summer Program is focused on accelerating student growth through culturally relevant, socially and emotionally supportive instruction. Students participate in engaging integrated science, literacy and math learning experiences. General Summer Programs offer music, art, and physical education and students participate in onsite and off-site program field trips.

Extend the Day at Camp Andersen!

Looking to add more fun to your summer? Students in GEMS-GISE Summer STEM Academy are invited to join Community Education's Camp Andersen program from 2:30-5:00pm each afternoon for enjoyable, engaging, well-supervised enrichment activities. Camp Andersen will include sports, games, art projects, crafts and more! Snack will be provided each day. Please note that no transportation is available at 5:00pm. All students attending Camp Andersen must either walk home or get picked up from Andersen at 5:00pm. Space is limited. For more information, please contact Marija Nicholson either via email at marija.nicholson@mpls.k12.mn.us or by phone at 612-668-4215.

Extend the Day at Minneapolis Kids!

Students in the GEMS-GISE STEM Academy can extend the day with Minneapolis Kids. Transportation is provided from GEMS-GISE at Andersen to Minneapolis Kids locations. For more information visit: <http://mplskids.mpls.k12.mn.us/mkids>

Students attending current school locations listed at the left side of the chart will attend General PreK-4 Summer Programs at the designated Summer sites listed to the right.

Student's Current School Location	Will attend the PreK-4 General Summer Session School Location Below

Student Pledge of Commitment

I pledge that if admitted into the 2019 GEMS/GISE/STEM or Regular Summer Program that I will attend all sessions, work hard with my group, cooperate, and be respectful with all participants and adults in the program and be an ambassador for the program at all public events.

My signature pledges my commitment to the goals of the program.

Date:

Student Signature:

Attendance Expectation: Students work collaboratively in project and problem based STEM Academy courses. Consistent attendance for the full program is essential.

Parent/Guardian Consent

(Student's Name) has my full support and consent to participate in the 2019 Summer Session Program . I have read over the material and pledge my effort to helping my student be successful in the program. I understand that an online submission of this form indicates consent and serves as a signature.
